1. The Military Industrial School of the Central Tank Workshop in Mladenovac has four classes with a total of about 300 trainees. The school has a four-year curriculum. The first three years cover theory, and the fourth year is in practical work. Young boys between 14 and 18 years of age, who have completed at least elementary school and two or three years of middle school, are admitted.
2. After schooling has been completed, the trainee becomes a specialized laborer, and agrees to serve two years in military enterprises. The school offers courses for the following professions:

Mechanic
Electrician
Lathe-operator
Foundryman
Carpenter
Tank specialist
Locksmith
Armament specialist
Milling machinist
Grinding machinist
Forging technician
Blacksmith
Welder
Radio electrician
Die maker
Vulcanization expert, and
Automobile mechanic
